

YOUR GUIDE

Find your perfect fit

Take your measurements, ensuring the tape measure doesn't feel too tight or loose, to enjoy a comfortable fit.

Garment length is to be taken from the shoulder at the neck.

Bust measurement is taken around the fullest part of your bust.

Back measurement is taken under your bust.

Waist measurement is measured at the narrowest part of your waist.

Hip measurement is measured on the widest part of your hips.

Inside leg is measured from the top of the inside leg to where the trousers are normally worn on the shoes.

Women's size guide If you are between two sizes, choose the larger size for comfort.
