## Instructions for Use

1. Plug into a 120-volt socket.
2. It is recommended to wear sock while using the unit.
1. Do not use the unit while wearing shoes.
2. Place massager on the floor in front of your chair or seat.
3. To activate massage action, press power button once (Fig.1).
4. Changing the pressure of your feet, will change the feel of the massage. If the unit tickles you, then you may need to apply more pressure or you may need to become accustomed to the sensation. If the massage feels too strong, you may need to lighten the pressure of your feet on the unit.
5. To activate soothing heat with the massage, press the power button one more time (Fig.1). Allow a few moments for the heating function to warm up.
6. When finished, press the power button one more time to turn the unit off and unplug.
7. Note: As a safety feature, the soothing heat function can be used only with the massage feature.
8. Caution: To avoid user injury and irreparable damage to the unit, always remain seated when using massager. **Never stand on the unit.**
