

LED Hanging Star

Thank you for purchasing our LED Hanging Star, a beautiful way to brighten up your home. We hope you are happy with your purchase.

Please note this product is suitable for indoor use only.

Operation:

- Open the cover of the battery box and insert 2 x AAA batteries (not included).
- Ensure that the + / - polarity marked on the batteries align with the + / - polarity markings in the battery box.
- Move the On/Off switch to on position.

Battery Warning:

- Do not mix alkaline, standard (carbon-zinc) and rechargeable batteries (including hybrid).
- Do not mix old and new batteries.
- Exhausted batteries are to be removed.
- The supply terminal is not to be short-circuited.
- Only batteries of the same or equivalent types as recommended are to be used.
- Batteries are to be inserted with the correct polarity.

Battery disposal:

The wheellie bin symbol indicates the product and batteries must not be disposed of in the domestic waste as they can contain substances that are damaging to the environment. Please use designated collection points or recycling facilities when disposing of the item or batteries. Batteries should be removed from the product. Contact your local waste disposal agency or your retailer for further information.
