- Suitable for use in bathrooms and kitchens
- Perfect for cupboards, bathroom or utility rooms
- Ideal for smooth, hard surfaces such as ceramic tiles, glass, smooth marble, metal and solid wood.
- Designed to have smooth edges to reduce the chance of injury
- The shelf features holes to allow any water to drain out

Parts List:

- 2 x Shelves
- 2 x Adhesive pads (2 per Shelf)
- 4 x Small nuts (2 per per shelf)

Installation:

1. Select where you wish to install the shelf and the optimal height you require it to be at.
2. Wipe that surface clean
3. Before attaching the adhesive pads, ensure that the pins on the pad line up with the holes on the body of the shelf
4. Remove backing and affix to surface
5. Line up pins with hole on the body of the shelf and attach
6. Secure the shelf to the pins by the small nuts provided

Repeat the process for second shelf.
